

TravelWell Schools Classroom Experience—May 2021

Zoom In & Out—upper left or Mouse Wheel
Move around map—Click and hold, hand to move map appears
(even when in the process of drawing lines, placing pins...)

Session #1—Computer internet access

1. **Sign-in** to your student acct—Name + Password
Open your Classroom TravelWell Map

2. **Find** your home and Add a pin (or Use Search Box with home address)

Often easier for students if they change base-map from abstract map to Satellite (upper right)
Click on the Pin icon (bottom of map) and click on the map marking your home.

3. **Mark your normal route** from your Home Pin to the School Pin
Click on the Line icon, then click on your Home Pin to Start your Route
Each click will place a Route Pin—play with it!

Any mistakes can be deleted or line segment pins can be adjusted by clicking and moving
Click End Line Check Mark at bottom when finished at the school

4. **Color-code your** TravelWell Schools Route with your normal method of travel

Click on your route
Click edit icon

Change the color of your route according to your travel mode
Red—Car Orange—Carpool Yellow—School Bus Blue—Public Transit
Green—Walk/Bike/Skateboard—No fossil fuels used

5. Write on your route **Why you travel this way**
Click in Text area and type your reason

Brainstorm: Using TravelWell UDOT Facts, Figures
Pros and Cons of different modes of travel

- Health
- Safety
- Mental Well-being
- Enjoyment
- Distance
- Pollution

Looking at the classroom map—brainstorm how lines can be changed from Red to...

Session #2 (approximately 1 week after Session #1) —Computer internet access

Repeat above on Classroom Map #2
Use Route Dialogue Box to comment on any changes, strategies, barriers
—tell your TravelWell Story

Optional Thought—have classroom work out stats from Map #1 to Map #2
Behavior change; class mileage; critical thinking; writing; math; fun in the real world
